I have received the attached letter from Ms. Sandra Domings, owner of Quick Cuts Inc. She has offered to donate \$500.00 to our organization. If accepted I would use these funds to help fund the Acton Police Youth Services Program.

I am recommending that the Board of Selectmen approve the acceptance of this generous donation.

Town of Acton Police Department

Acton, MA 01720

Dear Lt. Palma;

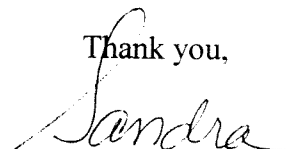

My name is Sandra Domings and I am a small business owner in Acton. I feel Quick Cuts has become a part of the community over the past 8 years, not just another big corporation that does not care about the people they serve.

My company has started a community appreciation program to show my appreciation to the community for all the support I have received over the years of building my company. Therefor, I want to give back to the community a monthly donation of \$500.00 to a non-profit organization that the public depends on. The donations will go directly to the organizations for use as the organization feels needed by the community.

I have chosen the Acton Police Department for the month of April. In these times of fear of terrorism and the on going war, the need of those that serve, help and protect us is on our minds on a daily basis. I would like to set up a time we can meet during the first weeks of April, in order for me to present you with the April Donation. We could meet at the station or at my shop in Acton. Please contact me at my office (781) 862-0735 to arrange a convent time to meet. I look forward to hearing from you and meeting you in the next couple of weeks.

Upon accepting my donation I would only ask that you acknowledge our donation with a kind letter of acceptance, which I can display for my customers to see. Each month the receiving organizations name will be on a board behind the register at my shop for all the customers to know what organization they are helping that month by coming into my shop.

Thank you,

  
Sandra
